

Executive Summary

Department: Botany

Program: BS

The Department of Botany, Khushal Khan Khattak University, Karak has been established in September 2019. The Department of Botany aims at promoting an integral understanding for utilization of plants and to explore underlying mechanisms for promoting eco-friendly environment. The Department has 42 students enrolled in three batches of BS Botany program. This Department has four lecturers. To enhance the quality of education, QEC Cell of the university has established a QEC team comprising of Dr. Noor ul Haq as focal person and Ms. Robi and Mr. Aftab uz Zaman as the team members. The QEC cell has carried out the assessment of the Department against the standards and criterion provided by HEC Quality Enhancement Cell. This assessment is carried out for fall semester 2024.

Major Findings

1. The department QEC team has found that the program BS-Botany has satisfactory program objectives, program outcomes and the department has effective mechanism to assess the performance periodically.
2. It has been found that BS-Botany curriculum has been designed according to the HEC Botany curriculum and also been reviewed and approved by Board of Studies.
3. The curriculum also satisfies the standard requirement laid by HEC QEC assessment manual.
4. The department follows the rules and regulations for admission, enrolment, migration provided by the University.
5. The institution facilities e.g. library, Labs, offices and regular faculty are not sufficient at this stage.
