

Executive Summary

Department: Chemistry

Program: BS Chemistry

The Department of Chemistry was established in February 2019. It is the part of Energy Centre approved by HEC. Currently, the department has almost 50 students and 01 full time faculty members (01 Assistant Professors) and four visiting faculty members (4x Lecturers). The QEC cell has carried out the assessment of the department against the standards and criterion provided by HEC Quality Enhancement Cell. This assessment is carried out for fall semester 2021.

Major Findings

1. Four batches of BS-Physics i.e. (F2019-S2023), (F2021-S2025), (F2022-S2026), (F2024-S2027) have been successfully graduated.
2. A total of 50 students are currently enrolled in BS-Chemistry.
3. Frequency of holding the BOS meetings is good which shows improvements in the schemes of program from time to time.
4. The curriculum highlights the scheme of studies as per HEC QEC assessment manual.
5. The department follows the rules and regulations for admission, enrolment, migration provided by the University.
6. The majority of faculty members are not satisfied with the facilities provided by the University.
7. The institution facilities e.g. library, classrooms, offices, e-learning are not sufficient at this stage.
8. The department needs fast internet facility for faculty and students which is weak at the moment.
